Traveling to the Environmental Science Bldg. (ENV) on the University of North Texas Denton Campus.

*Physical Address: 1704 W. Mulberry St. Denton, TX 76201

GPS Navigation Apps will more than likely provide directions that appear more direct. The driving directions we provide attempt to bypass the heart of campus to avoid vehicle and pedestrian traffic delays.

From Fort Worth:

- North on I-35W approximately 35 miles.
- Take Exit 85B - Oak St. Turn right at first intersection.
- Follow Oak St to the intersection with Bonnie Brae - stay in left lane.
- When you cross over Bonnie Brea you will now be on Hickory St. (a one way east bound street)
- We are located inside the Environmental Science Building on the right or south side of Hickory St. 2 blocks past the intersection of Hickory and North Texas Blvd.
- The entrance to Parking Lot 11 is just past the greenhouse.

From Dallas:

- Go north on I-35E approx. 38 miles.
- Exit 467 - Bonnie Brae St. turn right at first intersection.
- Follow Bomie Brae north to the first light - turn right onto Hickory St.
- We are located inside the Environmental Science Building on the right or south side of Hickory St. 2 blocks past the intersection of Hickory and North Texas Blvd.
- The entrance to Parking Lot 11 is just past the greenhouse.

From Gainesville:

- Go south on I-35.
- Exit 468 Oak St.
- Turn left at the first intersection and cross under I35 on Oak St.
- Follow Oak St to the intersection with Bonnie Brae - stay in left lane.
- When you cross over Bonnie Brea you will now be on Hickory St. whch is an east bound one way street.
- We are located inside the Environmental Science Building on the right or south side of Hickory St. 2 blocks past the intersection of Hickory and North Texas Blvd.
- The entrance to Parking Lot 11 is just past the greenhouse.

From Frisco /McKinney:

- Take Highway 380 West into Denton
- Turn Left onto Bonnie Brae.
- Follow Bonnie Brae south to the second traffic light turn left onto Hickory St. Hickory is an east bound one way street.
- We are located inside the Environmental Science Building on the right or south side of Hickory St. 2 blocks past the intersection of Hickory and North Texas Blvd.
- The entrance to Parking Lot 11 is just past the greenhouse.
Visitor Parking

- Visitor parking is located in the center of Lot 11
- A Visitor Parking permit is required for all vehicles except buses.
- A pass can be purchased in advance online through the UNT Parking Office or when you arrive inside the building at our visitor kiosk.
- Passes are currently $5 per vehicle for surface parking.
- A parking garage is also available on campus for those who prefer covered parking.

Suggested Bus Route:

- To safely unload the students we recommend a slightly different entrance for buses.
- Please have the buses turn right off of Hickory St. onto Ave D 1 1/2 blocks past the intersection of Hickory and North Texas Blvd.
- Take an immediate left onto Mulberry St.
- Enter Lot 11 from Mulberry St. and unload in the designated bus lane.
- Bus parking is not adjacent to the building - it is located in the Fouts Field parking lot by I35 and Bonnie Brae.
